

## Brittain Resorts & Hotels Selects Affirm as Exclusive Pay Over Time Partner to Bring Hotel Guests a More Flexible Way to Book Accommodations

June 12, 2024

Bookings available in simple monthly payments, with no hidden or late fees

SAN FRANCISCO--(BUSINESS WIRE)--Jun. 12, 2024-- [Affirm](#) (NASDAQ: AFRM), the payment network that empowers consumers and helps merchants drive growth, today announced a partnership with full-service hospitality management company Brittain Resorts & Hotels. Now, approved hotel guests can book accommodations at more than 15 hotels and resorts and pay over time with Affirm.

By selecting Affirm at checkout, approved guests can split the total cost of any purchase over \$150 into monthly payments up to 18 months. They are shown the total cost of their purchase and will never pay more than they agree to upfront. Affirm never charges customers any late or hidden fees such as compounding or deferred interest. For example, a \$1,000 purchase might cost \$64.76/mo over 18 months at 20% APR.

"We've been pleasantly surprised by the initial response. Our Guests seem to like paying for their vacations over time and the overall spend per guest is greater when using Affirm. We plan to implement this option in our call center over the next couple of months," said Brian Miller, VP of Sales at Brittain Resorts & Hotels.

"Hotel guests remain eager to pay over time for trips, and at Affirm we saw 35% growth year over year in travel and ticketing for the quarter ending March 31," said Pat Suh, Affirm's SVP of Revenue. "Partnering with Brittain Resorts & Hotels means guests now have a flexible payment option when booking accommodations that never charges any late or hidden fees."

Brittain Resorts & Hotels joins 292,000 Affirm retail partners, including Amazon, Casper, Newegg, SeatGeek, Royal Caribbean, Priceline, American Airlines and more. Offering Affirm at checkout can help drive overall sales, increase average order value, and reach new customers.
