November 26, 2024

Eligible consumers can now use Affirm to pay in biweekly or monthly payments when shopping at JD Sports and Finish Line

SAN FRANCISCO--(BUSINESS WIRE)--Nov. 26, 2024-- [JD Sports](#), the leading retailer of sports, fashion, and outdoor brands, has partnered with [Affirm](#) (NASDAQ: AFRM), the payment network that empowers consumers and helps merchants drive growth, to offer a new, flexible way to pay. This partnership brings Affirm's pay-over-time options to shoppers purchasing top brands such as Nike, adidas, New Balance, and North Face at JD Sports and Finish Line.

"At JD Sports, we're committed to giving our customers the freedom to shop the latest sports fashion and footwear, while maintaining full control over their finances," said Henry Spear, JD Sports' SVP of Digital Operations. "We're excited to partner with Affirm, especially with Black Friday and Cyber Monday just around the corner. These events are the Super Bowl of the holiday shopping season, and we know our customers will appreciate the added flexibility and transparency that Affirm offers as they shop."

With this new offering, consumers can now pay over time at over 500 JD Sports and Finish Line locations nationwide, as well as online through the Affirm app. In-store shoppers can snap a quick scan of the QR code at checkout with their smartphone to get started, while in-app shoppers can select Affirm as a payment option on the store page. In either case, shoppers will go through a quick eligibility check. If approved, they will see customized biweekly and monthly payment plans, with as low as 0% APR, and no late or hidden fees.

"In October, Affirm saw a 50% year-over-year increase in purchases at sporting goods retailers, indicating significant demand for sports fashion and footwear this holiday season," said Pat Suh, Affirm's SVP of Revenue. "Through our partnership with JD Sports, we're making it easier than ever to shop responsibly, whether on the go or at home. And, we're giving shoppers the flexibility to better manage their purchases, with no hidden fees—just simple, transparent payment options."

JD Sports joins Affirm's global network of over 320,000 merchants, including partnerships with Amazon, American Airlines, Peloton, SeatGeek, and more.
