Brides Can Now Make Purchases on Their Own Terms with Simple Monthly Payments, No Hidden Fees

SAN FRANCISCO – August 26, 2020 - [Affirm](#), a more flexible and transparent way to pay, today announced its partnership with [David's Bridal](#), the nation's leading bridal and special occasion authority. Together, Affirm and David's Bridal will now enable qualified customers to pay for their once-in-a-lifetime gowns over time, with simple monthly payments and no hidden or late fees.

With the average wedding costing almost \$34,000 according to [Rustic Wedding Chic](#), financing around the big day is a known stress for many brides-to-be. Understanding this, David's Bridal wanted to find a solution to help brides shop without compromise. Paying with Affirm at David's Bridal is transparent, flexible, and straightforward. A customer simply selects Affirm as a payment method at checkout, making it a natural part of a customer's shopping experience. Right now, qualified brides will be able to split the cost of their purchase over three or six months with no interest or late fees, for any purchase over \$100. For example, a \$200 dress might cost \$67/mo over three months at 0% APR.

"At David's Bridal we have the privilege of dressing millions of brides for life's most important occasions. We're in the business of making dreams come true, and finding seamless, stress-free solutions to get every bride in the perfect dress is top priority for us," said Kelly Cook, David's Bridal Chief Marketing and IT Officer. "Starting today, customers who pay with Affirm can choose the payment schedule that's best for them making it easier than ever to say yes."
