**Affirm Holdings, Inc. Announces Proposed Private Offering of \$1.25 billion of Convertible Senior Notes****Proceeds to Support General Corporate Purposes including Key Growth Initiatives**

**SAN FRANCISCO – November 18, 2021** –Affirm Holdings, Inc. (Nasdaq: AFRM) (“Affirm” or the “Company”) today announced its intention to offer, subject to market conditions and other factors, \$1.25 billion aggregate principal amount of Convertible Senior Notes due 2026 (the “Notes”) in a private offering (the “Offering”). In connection with the Offering, Affirm expects to grant the initial purchasers of the Notes an option to purchase, within a 13-day period beginning on, and including, the date on which the Notes are first issued, up to an additional \$187.5 million aggregate principal amount of the Notes on the same terms and conditions.

Affirm intends to use the net proceeds from the Offering for general corporate purposes and to fund its plans for future growth, which may include working capital expenses, capital expenditures and associated investments.

The final terms of the Notes, including the initial conversion price, interest rate and certain other terms, will be determined at the time of pricing of the Offering. When issued, the Notes will be senior, unsecured obligations of Affirm. The Notes will mature on November 15, 2026, unless earlier repurchased, redeemed or converted in accordance with their terms prior to such date. Prior to the close of business on the business day immediately preceding August 15, 2026, the Notes will be convertible at the option of the holders of the Notes only upon the satisfaction of specified conditions and during certain periods. On or after August 15, 2026 until the close of business on the second scheduled trading day immediately preceding the maturity date, the Notes will be convertible, at the option of the holders of Notes, at any time regardless of such conditions. Upon conversion, Affirm will pay cash up to the aggregate principal amount of the Notes to be converted and pay or deliver, as the case may be, cash, shares of Class A common stock of Affirm or a combination of cash and shares of Class A common stock of Affirm, at Affirm’s election, in respect of the remainder, if any, of Affirm’s conversion obligation in excess of the aggregate principal amount of the Notes being converted. Affirm may not redeem the Notes prior to November 20, 2024. Affirm may redeem for cash all or any portion of the Notes, at its option, on or after November 20, 2024, but only if the last reported sale price per share of Affirm’s Class A common stock exceeds 130% of the conversion price for a specified period of time.

The Notes will be offered only to persons reasonably believed to be qualified institutional buyers pursuant to Rule 144A under the Securities Act of 1933, as amended (the “Securities Act”). The offer and sale of the Notes and any shares of Class A common stock of Affirm issuable upon conversion of the Notes, if any, have not been, and will not be, registered under the Securities Act or the securities laws of any other jurisdiction, and unless so registered, the Notes and such shares, if any, may not be offered or sold in the United States except pursuant to an applicable exemption from such registration requirements.

This press release does not constitute an offer to sell or a solicitation of an offer to buy, nor shall there be any offer or sale of, the Notes (or any shares of Class A common stock of Affirm issuable upon conversion of the Notes) in any state or jurisdiction in which the offer, solicitation, or sale would be unlawful prior to the registration or qualification thereof under the securities laws of any such state or jurisdiction.
